

FIVE STEPS TO COACH IN REGION 13

Thanks for volunteering! Due to your efforts, 2800 kids in our community will have an opportunity to play quality soccer in a safe, fair and fun environment.

There are 5 steps to complete in order to coach in Region 13 whether you want to be a Head or Assistant Coach. A few steps are quick (fill out two forms), and some take a little time (in-person training and an online course). Completing these steps ensures that our coaches provide a quality experience to our children.

1. Register as a Volunteer (online): This must be done every year you volunteer.

- a. Log into your account at www.eAYSO.org/
- b. Register yourself as either a “new volunteer” or “returning volunteer”
- c. E-mail Pam Morgan at cvpa@ayso13.org, specify your position, and ask her to accept your completed application. She will respond once she has processed it.

2. Submit a Coach Application: This must be done every year you volunteer. Please note that this is different from #1 above.

- a. Go to www.ayso13.org
- b. Click the “Coaches” tab and scroll down to “Coach Application Form”
- c. Fill out the one-page form and submit it to your Age Division Coordinator.

3. Complete AYSO’s Online Training in Concussion Awareness: This course takes about 30 minutes online.

- a. Go to <http://www.aysotraining.org/>
- b. Enter your AYSO ID and last name.
- c. Under "AYSO'S SAFE HAVEN", click “START NOW”
- d. Under “Safe Haven”, click on "CDC Concussion Awareness Training”
- e. Complete the course

4. Complete AYSO’s Safe Haven Certification training (in person): This must be done in person - the online course is NOT sufficient to coach in Region 13. Also, the “Safe Haven” portion of Referee Certification is NOT sufficient to coach in Region 13.

5. Complete AYSO age-appropriate Coach Training (in person): For dates/times, refer to Coach course schedule. To sign up, visit www.eAYSO.org.

- | | |
|------------------------|------------------------------|
| - to coach U06: | U06 Coaching Course |
| - to coach U07 or U08: | U08 Coaching Course |
| - to coach U10: | U10 Coaching Course |
| - to coach U12: | U12 Coaching Course |
| - to coach U14: | Intermediate Coaching Course |
| - to coach U16 or U19: | Advanced Coaching Course |

***** Please Note:** For all Advanced Play Programs (Grad Series, All-Stars, YDP), Coaches and Assistant Coaches must be certified one level higher than the training listed above (e.g. you need U12 training to coach U10 YDP, etc.).

Once you’ve completed 3, 4, and 5 above, check that the certifications are reflected on your record - log into your account at www.eayso.org and click on "View certification".
